

Business Administration with an Entrepreneurship emphasis

15

Master's Degree (MBA)

MONTHS

Available Online: This program is delivered fully online.

Utah Locations: Layton, Lehi, Ogden / West Haven, Provo / Orem, Salt Lake City / Murray

The Master of Business Administration program is designed to provide the knowledge and skills needed to become an effective manager in a variety of organizational settings. It is a comprehensive program designed to provide graduates with the background to advance in their career rather than training to target a particular job within an organization. The broad goal of the program is to provide students with the foundations in content and competencies that will support their development as effective managers in a variety of organizational settings.

The Entrepreneurship emphasis is designed to prepare students to launch a new business or foster new business initiatives within established organizations. The program provides a broad overview of business concepts, including essential foundational knowledge of management principles and practices. It also features specific training to help students develop the skills to launch successful new ventures.
