

Nursing Administration	15
Master of Science	MONTHS
<p>Available Online: This program is delivered fully online. Utah Locations: Layton, Lehi, Ogden / West Haven, Provo / Orem, Salt Lake City / Murray</p> <p>Administrative and leadership roles in the healthcare industry require knowledge of management, organizational theory, ethics, legal issues, and the delivery of healthcare systems. This program is designed to give you the proficiency you need in these areas to make a difference in the nursing community and better serve the overall health delivery system. Focus is also placed on health policy, information systems, and the management of human, material, and fiscal resources. As a graduate of this program, you can be ready for entry-level positions in management of nursing personnel in a variety of healthcare fields.</p>
