

Computer Technology & Networking

20

Associate of Applied Science

MONTHS

Idaho Locations: Boise, Idaho Falls, Nampa

Utah Locations: Layton, Lehi, Logan, Ogden / West Haven, Provo / Orem, Salt Lake City / Murray, St. George

You can acquire the skills necessary for entry-level positions in the computer repair and networking fields by earning your Associate of Applied Science in Computer Technology and Networking. This program focuses on current operating systems, network hardware, and Internet technology, and provides a solid foundation from which to grow as an IT tech in the industry. As a graduate with this degree, you'll have the credentials needed for entry-level employment as a network administrator, computer repair technician, user support technician, or hardware and software trainer.

May be completed in as few as 15 months under a flexible accelerated schedule.
