

School of Healthcare

Bachelor of Science

HEALTHCARE ADMINISTRATION

PROGRAM LENGTH: 36 MONTHS

Orem (Provo), West Haven (Ogden), Idaho Falls and Boise Campuses

(Not currently accepting applications)

You could help manage healthcare services

Hospitals, clinics, long-term care centers, and other healthcare facilities need specialized administrators who have the business skills and medical savvy to help improve delivery of services to patients. With the right healthcare administration degree, you could advance in your healthcare career.

Program objectives

Our healthcare administration program is designed to help you expand your career as a professional administrator in any number of healthcare-related settings. As part of your program, you could gain the fundamental accounting, medical, and human resources skills you need to take on additional responsibilities in healthcare administration.

With your degree, you could be qualified to work for hospitals, medical offices, home-health groups, long-term care facilities, medical laboratories, clinics, or public health organizations.

Why choose Stevens-Henager College?

Stevens-Henager College provides the degree you need for the career you want—on your terms and on your schedule. You can go to class days or evenings, whichever works best for you, and get the flexibility of hybrid classroom or online¹ courses.

Our degree programs are career-focused, without elective courses that you don't need or want. Complete your bachelor's degree in as few as 36 months!

And, because Stevens-Henager College is smaller than most traditional colleges and universities, you can get more personalized attention and support from your instructors, tutors, advisors, and deans when you need it.

Skills gained

- Health facility operations
- Healthcare finance
- Healthcare policy
- Human resources management
