Associate Degree

## NURSING EDUCATION (RN)

PROGRAM LENGTH: 25 MONTHS

West Haven (Ogden) Campus

### Become a registered nurse (RN)

Qualified nurses play a vital role on the healthcare team. Hospitals, clinics, and long-term care facilities are seeking specially trained individuals to help care for patients. With the right nursing degree, you could launch a career in one of America's fastest-growing job fields.

### Program objectives

Our nursing education program is designed to help you gain entry-level employment as a registered nurse (RN). Your courses combine classroom theory with hands-on clinical experience in real-world healthcare settings to give you a practical, well-rounded educational experience.

With your degree and proper licensing,<sup>1</sup> you could qualify to work in a wide variety of healthcare settings, including hospitals, clinics, and long-term care centers.

### Why choose Stevens-Henager College?

Stevens-Henager College provides the degree you need for the career you want—on your terms and on your schedule. You can go to class days or evenings, whichever works best for you, and get the flexibility of hybrid classroom or online<sup>2</sup> courses.

Our degree programs are career-focused, without elective courses that you don't need or want. Complete your associate's degree in as few as 25 months!

And, because Stevens-Henager College is smaller than most traditional colleges and universities, you can get more personalized attention and support from your instructors, tutors, advisors, and deans when you need it.
